Sponsorship & Community Recognition Opportunities

Supporting the Veterans Day Ceremony is a great opportunity to honor the memories of our Veterans and their families. Unite with family, friends, and other local organizations as we pay tribute the true heroes of our country.

On Veterans Day, November 11th, numerous groups and organizations will join together for a common goal -- to pay tribute to the members of our Armed Forces and their families laid to rest at Abraham Lincoln National Cemetery.

This patriotic event provides a unique experience to remember, respect and honor the men and women of our Armed Forces. Supporting this event is a great way to give back to those service men and women who made America the great nation it is today.

This event is historical for the fact that it is the 200th anniversary of Abraham Lincoln's birth and the 10-year anniversary of Abraham Lincoln National Cemetery.

Hosted in part by Flowers for Heroes, The Illinois Motorcycle Freedom Run, and other community organizations and families.

Flowers for Heroes (FFH) is a nonprofit organization whose mission is to honor our America's Heroes and to assist our Gold Star families – the families that have had father, mother, son, or daughter has been killed while serving in our nation's armed forces.
